Dear Sponsor,

Greetings from F1® in Schools India!

**F1® in Schools India** is the World's Largest STEM (science, technology, engineering, mathematics) competition for school children (aged 9–19), in which groups of 3–6 students have to design and manufacture a miniature "car" out of the official F1 Model Block using CAD/CAM design tools.

The competition's aim is to introduce younger people to engineering in a more fun environment. The competition is held annually, with Regional and National Finals. The overall winners of the National Finals are invited to compete at the World Finals, which are held at a different location each year, usually held in conjunction with a Formula One Grand Prix.

This letter serves as a request from **Team Centaury Racing** to raise sponsorship for participating and performing to the best of their abilities in the **F1® in Schools India Regional Finals 2024-25**
